Instructions

Turn on your LED product lines by pressing the front button on the right side of the cap (the LED next to the charging port turns green).

Go to your network settings on your smartphone and select under WIFI networks: LED (this number is your unique LED lines product code)

Enter the default password: LEDlines and connects.

Scan the QR code or open your web browser and go to: www.LED-lines.com. The app starts automatically.

Finally, create a shortcut on your home screen for quick access.

This product contains sensitive electronics. Handle it with care.
